Sun Protection

It is finally summer and hopefully we are going to get some good weather. This term we will be spending the majority of the time outside if the weather is nice. Please can you ensure that your child is dressed appropriately and can you provide a hat and sun screen.

Reading

This term we are going to be focusing on Speech and Language with the children. We will be reading with children in small groups. Reading is really important in the early years as the language in books is more complex. You can help support your child by reading to them daily at home.

Healthy Eating

In the nursery we are keen to promote healthy eating to the children. We would like to thank all parents for bringing in fruit regularly and providing healthy lunches.

IMPORTANT INFORMATION

Transition Reports

If this term is your child's final one in the nursery please can you let know staff know ASAP as we will need to write transition reports for their next nursery and we need time to do this. We will be holding an end of year party, but we will let you know the date later in this term.

One - To - One Meetings

If you would like to meet with your child's key person this term to talk about your child's progress please arrange a time with them to meet.

Nursery Closing Dates

The last day of term will be the 19th July. We are going to be closing nursery at 13:00. We wish everyone a lovely summer.
